

*The Ocean County Soil Conservation District
and the affiliate members of the
Barnegat Bay Watershed Environmental Educators Roundtable
are pleased to offer*

discovering
Barnegat Bay

an interdisciplinary guide
for the historical, cultural and natural resources
of the Barnegat Bay Watershed.

What is Discovering Barnegat Bay?

- Forty lesson plans and activities designed specifically about the Barnegat Bay watershed.
- Activities that incorporate locally significant topics and issues into existing curricula.
- Lessons developed by educators for educators.
- Lessons that are interdisciplinary and offer opportunities in Language Arts, Science, Social Studies & Mathematics.
- Chapters that focus on themes: Soil, Water's Path, Natural Wonders, People and Places, and Boundaries of our Watershed. All are created to help make learning more meaningful for students by bringing it "closer to home."
- A supplemental resource for teachers that meets New Jersey State Standards.

What Will You Receive as a Participant?

A copy of the 340 page *Discovering Barnegat Bay* guidebook, full of 40 lesson plans and activities!

The opportunity to investigate educational resources for students right in their own backyards!

Ideas for stewardship projects to initiate with students.

NJ Department of Education Professional Development Provider #1872.

Ocean County public schools will each receive a *Discovering Barnegat Bay* "Treasure Chest" containing a selection of 63 items including: videos, curricula materials, posters, resource guides, maps and more!

Registration fee is \$35.00 per teacher, which includes purchase of the guidebook. This fee is nonrefundable. However, a substitute attendee may be sent. We request a minimum of ten teachers in order to schedule an in-service.

For more information or to schedule an in-service for your school, please call Christine Raabe at OCSCD (609-971-7002, ext. 21) or email at info@ocscd.org.
