

Ocean County Soil Conservation District
and
New Jersey Forest Service
in cooperation with the
Jacques Cousteau National Estuarine Research Reserve
proudly present

Outdoor Classrooms and Rain Gardens

A hands-on workshop that will assist teachers in the planning, development, curriculum integration and transformation of their school yard through the creation of a Rain Garden

October 1, 2008

9 am - 3 pm

at the

Coastal Learning Center, Tuckerton, New Jersey

- Bring a lunch and dress appropriately for the weather and outside activities.
- We encourage several teachers from one school to attend together.
- Bring a sketch or photos of your proposed Rain Garden site.

Please copy as needed and send a separate registration form for each person attending.
